

The owners of all the businesses within the group are Andrew Whitlock and Warren Lowe.

They jointly founded Prime Oak in 1998 which flourished to become the market leader that it is today. After years of success the two partners diversified and innovated into different markets with other products and services creating fresh brands that as a collective make up the Whitlock & Lowe group. Sales are generated through Prime Oak Ltd, Julius Bahn Ltd, Montpelier Joinery Ltd and Native Joinery Ltd. The manufacturing company, Whitlock & Lowe Ltd, provide every product for each individual company's clients.
